## European Studies

Graduate Programs

Faculty of Arts and Social Sciences

The M.A. in European Studies Program at Sabancı University is a highly competitive program with the ultimate aim of studying contemporary Europe, with a special emphasis on the European Union.

The careers of the alumni of the European Studies Program demonstrate that the program furnishes students with a comparative advantage that enables them to pursue their career goals at the national, European and the international level.

The students receive an interdisciplinary training in the program with economics, history, legal studies and politics of European integration constituting the main pillars of study.
